FUNdraising Page Tips and Tricks

Not sure how to make your FUNdraising Page a success? Here are some simple tips and tricks to help you promote your page and activate your network.

1. Share a compelling personal story:

This is your “WHY”. Share why you chose to FUNdraise for this specific nonprofit. Was it in honor or memory of someone special, because this nonprofit impacted you, a family member or friend, or is it simply because you are passionate about the mission and the important work they do?

2. Be the first donor to your page:

Show your commitment to this cause and FUNdraising by being the first to donate to your page.

3. Reach out directly:

Start by sharing your FUNdraising page with family members or friends. This will help build momentum and give your campaign exposure. This will also help you build confidence to reach out to broader circles.

(TIP: Personalize your outreach by using nicknames or terms of endearment, or including something relevant to that person (example: Uncle Bobby, Grandma, etc.)

4. Share socially:

Be sure to share your page with your social networks (Facebook, Instagram, Twitter, and LinkedIn). You never know who shares your passion that might follow you on social media.

Don't forget to include the URL link to your direct FUNdraising page.

(TIP: Need help spreading the word? Turn to page 5 for sample social media post ideas.)

5. Provide updates throughout the campaign:

Share milestones with your supporters (i.e. "We're halfway to our goal! Help me close the gap!") and encourage them to invite family and friends to join them in support.

6. ALWAYS thank your supporters

Anytime someone contributes to your campaign it is so important to thank them, regardless of how much they gave. This makes your supporters feel seen and appreciated, and more likely to lend a hand in supporting your effort.

(TIP: You can see who has donated to your campaign and their email address by logging into your donor profile, selecting the tab labeled "My FUNdraising Pages", clicking the FUNdraising page name and clicking "See Donors to your FUNdraiser".

#WhyIGive on North Texas Giving Day is so that other women have the opportunity to thrive in a career they want to pursue.

Our Friends Place changes lives by requiring our residents to be employed at a steady job, be enrolled in educational or vocational courses to improve employability, and attend our award-winning life skills program. We teach empowerment, not entitlement, so young women can become self-reliant and build a better future for themselves.
